More Symptom-free Testing Sites Opening in Kent

Another five rapid-result coronavirus (COVID-19) testing sites for people who don't have symptoms are opening in Kent, in addition to 14 centres already in operation.

The testing will find people who don't currently have symptoms, who may be unknowingly spreading the virus in the community and the sites are part of a rolling programme to help reduce the rates of transmission in Kent.

In addition to sites already running across the county, people can now book for tests from today (12 January) using the link www.kent.gov.uk/symptomfreetest at the following venues (sites opening within the next week):

- Swanscombe Centre Craylands Ln, DA10 0LP (open from 15 Jan)
- **Bat and Ball Centre, Cramptons Road Sevenoaks TN14 5DN (open from 15 Jan)**
- The Dray, The Hop Farm, Maidstone Rd, Paddock Wood, Beltring, Tonbridge TN12 6PY (open from 16 Jan)
- Hawkinge Community Centre CT18 7FP (open from 16 Jan)
- Sessions House, County Hall, Maidstone, Kent ME14 1XQ (open from 18 Jan).

All symptom free testing sites will be open daily from 9am to 7pm. Children aged five-years-old and over can also be booked to take the test but will need assistance at the site from a parent/carer. It is recommended that people are tested frequently, every two weeks if possible.

To book a test and for more information go to www.kent.gov.uk/symptomfreetest

Residents attending this testing will undergo a lateral flow swab test and will receive their result within a couple of hours of attending the test by text or email.
