**1 APOLOGIES FOR ABSENCE**

The following apologies were noted:

- Cllr Richard Parry, Cllr Matthew Dickins and Cllr Elizabeth Purves

**2. MINUTES OF THE MEETING HELD ON 26<sup>TH</sup> SEPTEMBER 2018**

The Minutes were agreed as a true record with the amendment that Mr Byron Brown had also been present.

**3. MATTERS ARISING FROM THE MINUTES**

[Air Quality Link](#) – Following the meeting in June 2018, Cllr Dickins advised all that the air quality reports may be found by visiting [www.sevenoaks.gov.uk](http://www.sevenoaks.gov.uk), typing 'air quality' into the search, and selecting the first item.

The Town Forum invites officers from SDC to attend a future meeting to explain the air quality in Sevenoaks and how the road motorway network, living wall, smaller buses

and electronic chargers in car parks help improve the local air quality. It was noted that Sevenoaks Youth Council had requested more electronic charging points within the town.

Markets – concern was expressed regarding the Wednesday market. It was noted that the Town Council has asked Sevenoaks District Council to look at alternative venues and are in current discussions. Cllr Fleming advised **a response would be sent** prior to the next Town Form meeting scheduled for 9<sup>th</sup> April 2019.

#### 4. SEVENOAKS DISTRICT COUNCIL UPDATES

- a. Tesco Metro – owners are planning re development of the site. Options are being drawn up which could include retail to the front of the site and residential to the rear.
- b. Buckhurst 2 Car Park - new name is being considered for this Sevenoaks long stay car park.
- c. High Street Pembroke Road/Suffolk Way junction – is complete. Several issues are outstanding such as phasing with all lights stuck on red and no green man but rather a vibrating button etc. Cllr Fleming will meet with the design team **and report back to the next meeting.**
- d. Bradbourne Car Park - won a second prize for its design work.
- e. Edwards Electrical site – KCC have no concerns regarding its use as a temporary car park.

#### 5. OPEN FORUM

- i) Littering – Cllr Fleming advised that bins are sited nearer to the Premier Inn and are emptied frequently – at least daily. Cllr Fleming confirmed that the District Council investigates fly tipping and when there is enough evidence takes cases to court.
- ii) Traffic Road and Drainage issues – Dr Canet, requested that a 20mph speed limit restriction be applied to residential areas and that the High Street be made safer for pedestrians. A change of attitudes is needed.
- iii) Cllr Mrs Walshe requested that KCC be asked to enforce a speed limit of 20mph around all school in the town as is the case in many other surrounding areas. **Cllr Fleming will raise with KCC.**
- iv) The Town Clerk expressed concern that allegedly new pedestrian crossings [*letter in Chronicle 28.12.2018, attached as APPENDIX A*] were proposed for three new sites, and that KCC knew nothing about them and advised these are not happening. Cllr Mrs Walshe advised that the reported new crossing at the top of Dartford Road, Vine Waste requires a school crossing for the children. **Cllr Fleming to liaise with KCC.**
- v) Verge Parking – Mr Byron Brown advised that photos show this to be a major problem in the area of Betensen Avenue and Robyns Way and paving slabs are cracking. Cllr Fleming advised that KCC should be informed.

#### 6. DATE OF NEXT MEETING

9<sup>th</sup> April 2019 - Town Council Chamber – 6pm for coffee and meeting starts at 6:30pm

There being no further business the Chairman closed the meeting at 7:32pm.
