Sevenoaks Rugby	Stephen Fitzmaurice
Knole Squash, Sevenoaks Padel	Michael Wright
Sevenoaks Indoor Bowls Club	John Roberts
Sevenoaks Indoor Bowls Club	Christine Freshwater
Sevenoaks Bowling Club	Ray Russell
Sevenoaks Bowling Club	Audrey Franks

Prior to the commencement of the meeting and in the absence of the Chair, Cllr Dr Peter Dixon as Vice Chair of the STSS Working Group was nominated to Chair the meeting.

14. Apologies for absence

Cllr Gareth Willis (Sevenoaks Town Council, Chair of STSS Group)

15. Requests for Dispensations

None.

16. Declarations of Interest

None.

17. Minutes of the Sevenoaks Town Sports Strategy Working Group held on 21st March 2024

The Minutes of the previous STSS Working Group meeting held on 21st March 2024 were received and agreed.

18. Sevenoaks Town Sports Strategy - Results

The Group received and discussed the results of the Sports Facility Survey, and the following verbal updates were provided, which are included in the attached document.

19. Schools and Sports Facilities to hire

a) The Group received and discussed review of sports facilities offered by schools for external hire and use by the general public.

b) Members noted that, although Walthamstow Hall's website does not mention facility hire, they were aware of it sharing its indoor hall and swimming pool with outside bodies.

Cllr Dr Canet agreed to follow up with the school to check whether the Senior and Junior School offer facility sharing.

c) It was also noted that a running track and athletics field between the Trinity School site and Seal Drive is proposed to be developed by the school with help from SDC.

d) Updated document attached.

20. Other points of note

a) Noted that STC hoped to have a draft Sports Strategy completed by the end of 2024, for local sports providers and groups to review and comment on. This would build upon the first Sports Strategy and serve as an update.

b) Attendees agreed that the content of the second Sports Strategy could be a useful reference when SDC further their plans for a new Leisure Centre, as it can show what local groups and sports providers want, and the level of desire for specific provision.

c) It was noted that SDC had not provided an update on their own Sports Strategies recently, nor had they contacted all attendees as part of their audit – namely the Sevenoaks Suns and Sevenoaks Bowling Club. It was noted that SDC intended to survey “Winter Sports” initially and “Summer Sports” at a later date. It was **agreed** that STC contact SDC for an update, as well as to notify them that these groups have not been contacted yet and to ask for confirmation that they will be. STC to supply contact information if needed.

d) Question as to what opportunity there is for sports provision at the Sevenoaks Quarry site was received prior to the meeting and read aloud by the Chair. This also included question as to grant support, which Joseph Baum confirmed Tarmac via Derbyshire Land Trust has a fund for. Joseph encouraged the member of the public to get in contact with him with email address available from the Planning Committee Clerk, and members to visit the website: <https://sevenoaks.tarmac.com/>

21. Dates of future meetings

It was noted that the next meeting would take place at the Council Chambers on Wednesday 7th August 2024 at 6:00pm, and that full schedule of dates approved by Council would be shared after the meeting. These are as follows:

Wednesday 8 th August 2024 6pm	Monday 30 th September 2024 6pm	Wednesday 4 th December 2024 6pm	Wednesday 12 th February 2025 6pm	Wednesday 16 th April 2025 6pm

22. Press Release

It was agreed that a Press Release be issued on the collaborative efforts of the STSS members in creating a second Sevenoaks Town Sports Strategy.

Meeting concluded at 7:12pm.

6	Taiji & Qigong	N/A			STC would be pleased to support the promotion of the sport within the town.	
7	Sevenoaks Rugby Club	Insufficient playing pitches for membership and teams Affordable rent of additional pitches. Playability of pitches from significant use.			The Raleys Field / Knole Paddock is currently at full capacity. STC pitches are at a fair rent – it is difficult to obtain additional pitches at similar or lower cost. Due to full capacity the pitches are often 'over played' resulting in poor quality. The problem with finding alternative or additional pitches has resulted in STC having to delay improvement works. STC invested considerable resources into trying to obtain planning permission for a 3G rugby pitch which was not successful.	SRFC creating a Foundation similar to other clubs to enable equal access for participation in the sports. This led to discussion about creation of a 'Sevenoaks Sports Foundation' AGM to be held 30.5.2024 One pitch to be restored during 2024 – alternative training provision obtained at local school.

SDC & s.106 Agreement for Indoor Cricket Facilities in Sevenoaks Parish

When STC sold its Raleys site for redevelopment there was a requirement for it to enter into a s.106 agreement with SDC for £150,000 for Indoor Cricket facilities. These funds were paid to SDC at the time.

STC are currently reviewing its Sports Strategy and the conclusion of the sports clubs involved including the local cricket club is that it is unlikely to be able to provide new indoor cricket facilities and £150,000 would not cover such a provision and there is a greater need for improved outdoor cricket facilities either in Sevenoaks town or in adjacent parishes (used by Sevenoaks residents).

I have written on behalf of STC and the local cricket clubs to ask SDC to review the s.106 agreement and enable the funds to be spent on cricket facilities.

Please see response below:

Thank you for your enquiry.

The S106 sets out that the £150,000 is for the provision of 'replacement indoor cricket school facilities within the parish of Sevenoaks', but you're absolutely right in that this would not cover the cost of a new facility. As such, in 2021 SDC passed over the £150,000 to the Kent Community Cricket Trust to help promote and grow the sport in Sevenoaks, with a particular focus on supporting the women's and girl's game, junior cricket, and supporting those from disadvantaged backgrounds to get access to cricket. It was considered that this met the criteria laid out in the legal agreement.

We have recently sought an update from the Kent Community Cricket Trust on the status of the funds, and so will be able to update you further once we are in receipt of that information. Although I understand that it is the height of the cricket season at the moment and they are in peak delivery mode, so this may take a little longer than usual.

The Town Clerk has responded to SDC "Thank you for this information we look forward to further information as to how these funds were spent in the 'Parish of Sevenoaks' as per the legal agreement."

Update Report from SDC Senior Planning Officer

The Senior Planning Officer, Aaron Wilkinson, has shared the following updates with regards to point 7c) of Sports Strategy Working Group Meeting held on 29th May 2024.

- A consultation was held with Sevenoaks Suns on 25 January between James Radcliffe at KKP and Rick Surrey from Sevenoaks Suns. Further discussions are due to take place between Sevenoaks Suns and SDC which will cover the club and its ambitions within the assessment.
- At the time of the last meeting, Sevenoaks Bowling Club would not have yet been contacted as the summer work was only just starting. They have since been consulted and KKP had a response from Ray Russell at the club.

With regards to an update on the work as a whole:

- The indoor work is complete, and the Needs Assessment Report is currently with Sport England and the NGBs for sign off. The draft Strategy Report is currently with us for comment, following which it will also go to Sport England and the NGBs for sign off.
- The outdoor work is mostly complete, with some summer sport work to tie up.

On 22nd July KKP held a follow up zoom call with STC to discuss matters that have arisen from their consultations. These covered winter sports consultations and will be publicised in the SDC Sports Strategy upon completion.

Following the completion of the summer work, the Needs Assessment Report and Strategy Report will be with us for comment (we have already reviewed the winter elements, but following the summer work this will all be pulled together), following which both reports will also need to go to Sport England the NGBs for sign off.

Updated STC Sports Strategy Review – Summary (from 29.05.2024 to 07.08.2024)

22	Sevenoaks Town Sports Foundation	Discussion at the Sports Strategy Meeting held on 29.5.2024 took place about the creation of a Sevenoaks Town Sports Foundation. Tarmac expressed an interest in this.				Further discussion to be held.
23	Athletic Facilities	It was noted that SDC were creating athletic facilities including running track between Trinity School and Seal.				
24	Bradbourne Group Riding for the Disabled	Enhanced carriage tyres for comfort and ease of use on the surfaces. Ensuring the fields are not bought up for housing. Replacement car park surface without potholes for ease of disability access while being strong enough for the heavy tractor to remove the muck heap and bring hay and stray to site				
25	Representative for Hockey, Lacrosse, Swimming, Badminton (Respondent did not include club/organization name in survey)	Floodlit hockey pitches, all weather running track for athletics.
