## Sports Facilities Charges AMENDED 23.05.2022 to 31.03.2023

### SPORTS FEES

#### FEES & CHARGES FROM 23 May 2022

#### Amendment to Sports Fees and charges for Financial Year 2022-2023

The Sports fees and charges presented to and approved at OSL committee 08/11/2021 had been based on the previous year's charges instead of the current year. The draft figures presented at OSL committee on 13/09/2021 had been correctly based on the current year's figures.

The below proposed fees and charges for 2022/23 (in green) are based on the current year charges (in black). The approved charges (OSL minute 351 08/11/21 and F&GP minute 380.4 22/11/21) are shown in red.

These would be with effect from 23<sup>rd</sup> May 2022, being 6 months from when the council approved the charges at F&GP on 22<sup>nd</sup> November 2021.

As per the intention of the OSL committee, these charges in general represent an uplift of 3% on the current year's charges. The uplift for pavilion use is now consistent across sports and sessions, with small reductions to encourage junior sports.
